3. Transit Shipments handled by Juschwneschtrans

CONFIDENTIAL

2 carloads of ball bearings from Turin, Italy, to Stanko-import, Moscow.

5 carloads of iron machinery, primarily large lathes, to Stanko-import, Moscow.

4. Juschwneschtrans personnel

During the past two weeks, Mishin, new Soviet director of Juschwneschtrans, has held personal interviews with all of Juschwneschtrans' employees. Juschwneschtrans' employees do not attach any particular significance to these interviews which seem to have been merely an opportunity for Mishin to have a cordial chat with members of his staff. \*(9)

(1) \* [ ] Comment: These rolls always carry 500 meters of cable. 25X1

(2) \* [ ] Comment: It is interesting to note that [ ] not reported a shipment of 78 carloads containing 1,092 tons of electric motors and other types of electrical equipment which, according to [ ] [ ] were delivered to the DDG Praterkai docks during March 1950 and then suddenly turned over to Juschwneschtrans for priority shipment by rail to Mukachevo. 25X1 25X1 25X1
